

## Delta Deas Rowing Club Youth Summer Learn to Row Deas Island Regional Park, Delta BC

Our Youth Camp members will learn the basics of rowing over a 5 session instruction camp. Participants will learn about boat handling, rowing machine technique, and master on-water rowing skills! The week long camp is broken down into an orientation session and 4 sessions combining on-water and off-water training.

Teamwork is crucial in rowing! During our youth camps, members will have to work together to achieve success on and off the water! Our camps will build confidence, develop teamwork skills, create new friendships and provide the basic technique skills for success in rowing!

**Cost - \$235.00**

### To Register
